

Cycle Instead

October 2007

Shared Services staff cycled to Broome as part of the Cycle Instead in Spring Bike to Work Challenge. The event ran for 6 weeks from September 10 to October 21, 2007.

The original team of experienced and novice cyclists, recruited other colleagues, family and friends along the way. Finally over 20 participants peddled 2261kms. That is like cycling from Perth to Broome.

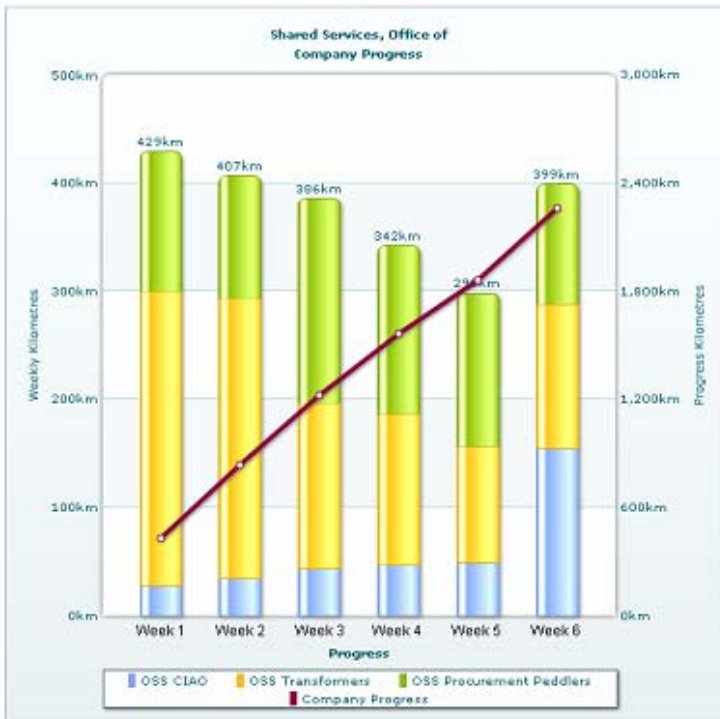

Three teams were formed. The Transformers were the winning team, traveling 1064 kms. Procurement Peddlers were close behind with 842 kms. CIAO, the team with fewest members, made a continually improving effort with 355 kms cycled.

All participants enjoyed health and environmental benefits.
